Mare Approval

Presentation should be in a bridle and the mare should be allowed to relax neck in level position

1. Please record the following video sequences of the mare:

- standing (all four sides)
- walk (preferably on hard level ground) straight away from you and back towards you
- walk (side view both directions)
- trot (at liberty, both directions)
- canter (at liberty, both directions)

2. Please provide us with the following information about the mare

- name
- height at withers standing on hard level ground

Please send the **videos** and **information** to one of above mentioned e-mail addresses. If the file is larger than 50 MB, please send the data to us via the following link: <https://wetransfer.com/>

The registration of the mare on the basis of the video is done by our breeding director Dr. Thomas Nissen.

Upon successful approval, you will be notified and will receive the approval notice (sticker) by mail.
