The marking of own performance and offspring information

In the catalogue, the identification of internal activities and offspring was made. This is done using * (Sternchen-System'). The assignment of * takes place if at least one of the following performances is available:

<u>Mare's own performance (EL)</u>	<u>Number of stars awarded</u>
State premium	*
until 1999: SLP over 110 points, since 2000: SLP over 7.5	*
Tournament sports (total winnings between 100 and 500 €)	*
Tournament sport (total winnings between 500 and 5.000 €)	**
Tournament sport (total winnings over 5.000 to 10.000 €)	***
Tournament sport (total winnings > 10.000 €)	****
(Sports data of the FN currently only from successes in Germany)	

Offspring benefit (NL)

1 daughter with state premium	*
1 licensed son at the Holsteiner Verband	**
1 licensed son in another association	*
1 daughter with SLP over 110 points (until 1999) or over 7.5 (from 2000)	*
1 son with passed HLP (at least 80 points in the 100-day test, or at least 80 points in the 70-day test)	*
1 son with HLP about tournament sport	*
1 NK in tournament sport (total winnings between 100 and 500 €)	*
1 NK in tournament sport (total winnings between 500 and 5.000 €)	**
1 NK in tournament sport (total winnings over 5.000 - 10.000 €)	***
1 NK in competition sport (total winnings > 10.000 €)	****
(Sports data of the FN currently only from successes in Germany)	

For each performance achieved, your mares will receive the corresponding number of stars, which you will find added to the names of the mares in catalogue. If, for example, your mares do not yet have any information on their own performance or offspring due to their age, no entry will be made there. The aim of this system is to identify elite mares on the basis of special own contributions or offspring contributions.

Explanations of classifications and inspection marks
