SITE HOST APPLICATION 2021 BREEDING STOCK APPROVALS

Farm Name: _____

Contact Name: _____

Address: _____

Phone(s)/Fax: _____

Email: _____

Please include in this application preferred dates if you have any, dates not available, whether facilities can accommodate free jumping and any other comments you may have.

I wish to be considered for:

- One-Day Large Site** ✓ Includes all divisions (Stallions, mares & foals)
✓ 3 Judges
- One-Day Small Site** ✓ Mares & Foals
✓ 1 Judge

Site host is responsible for providing lunch and refreshments for the judges while on site and for the transportation of the judges to and from the airport. ****Please Note: The Site Host is also responsible For a Propane Tank or Forge that can accommodate a 4" x 3 1/2" brand and a measuring stick.**

The entry fees are expected to cover all costs of sending a team/individual to a site (transportation, judge's fees, etc.). As a rule of thumb, a small site needs approximately 1.400 € to cover costs, a large site with stallions requires sending three judges and usually runs about 2.300 €. Obviously, location is a factor and how far we have to send a judge(s).

You can estimate the number of horses you need by noting these fees*:

Mare Inspection	160 €	Sporthorse Geldings	160 €	Stallion re-boniting	350 €
Foals	210 €	Yearling and older Horses	270 €	Mare re-boniting	160 €
Stallions	660 €	2 yo Stallion evaluation	140 €		

Inspection fee 80 €
for each horse

**The fees can also be calculated according to the current exchange rate*

****Divisions: Stallions, Holsteiner Mares, Foreign Mares (see flyer 'Holstein Global'), Geldings, Yearlings, Foals**
